LA PLATA

## *La Plata*

“La Plata”, translated, means “small Dolphin” in Spanish, follows on the heels of the company’s ultra successful “Dorado”, translated to Dolphin in Spanish.

An Affordable 4.8 mtr cuddy cabin that will fulfill any requirements for anyone wanting a tidy, quality, superior performing compact package, designed to get on the plane effortlessly and deliver economical, efficient performance.

A spacious cabin that offers good headroom, A cockpit that is uncluttered, and is completely wash out for ease of cleaning, with massive storage capacity.

As for the ride, well you experience it for yourself and you be the judge!!

### *What they said*

**NZ Propeller Magazine**

*“A great little boat that is certain to become as popular as the Dorado”.*
