

## THE SF600

The Haines Hunter SF600 sits neatly with the owner who loves a great performer. Stunning response on the helm with handling characteristics of a bigger boat when the blue water needs to be tamed. The Haines Hunter SF600 is designed for all aspects of trailer boat activity. Room for all the family yet perfectly suited for serious fishing trips. As with every Haines Hunter the ride is guaranteed. The SF600's inherent smooth soft ride is a feature all the family appreciates, adding up to a much more enjoyable day on the water. Test drive the Haines Hunter SF600 and experience a new direction in boating.

 **HAINES HUNTER™**  
THE SECRET IS IN THE RIDE

# THE SF600

Supported by our 5 year structural hull warranty. Haines Hunters are amongst the most sought after craft in New Zealand. Our attention to detail ensures that each hull exhibits maximum strength and performance.

All mouldings are completed in a temperature and humidity controlled environment using resins, gelcoats and glass fibre to internationally recognised standards.

### HULL STRUCTURE

Completely hand laid using:

- Isophthalic gelcoat & resin system for extra strength and water resistance.
- Multi-layered chopped strand mat with woven rovings
- Tanalised pine longitudinal girders
- Marine grade hardwood ply transverse bulkheads and transom

### DECK STRUCTURE

- Isophthalic gelcoat
- Orthophthalic resin system, gunstock and coremat
- Tanalised pine deck beams

### NOTE

Specifications and equipment may change at any time without notice. photographs shown may include non-standard extras. Please consult your Haines Hunter Dealer for specific model information. Gelcoats used are of the highest standard. The product is however subject to the effects of ultra-violet and some colour change will occur. It is recommended that a polish with a U.V. inhibitor be used to protect the surface.
