

THE SR535

Take the long way home. To complement the outstanding success of the SF Series, Haines Hunter are proud to offer the all new (Sports Runabout) SR535. Dry, comfortable, with lots of room for fishing or your favourite water sports, this great little boat's style and versatility are unmatched, even by some bigger boats. With all the features of an open runabout the SR535 has a very usable cuddy cabin with easy access to the foredeck hatch for safe anchoring. A large cockpit with flexible seating options, excellent storage and that Haines Hunter style that is only equalled by the Haines Hunter resale value. Performance is exceptional with 90hp or if the owner requires extra power the boat happily accommodates a 150hp V6 motor. Every SR535 comes with the famous Haines Hunter ride so test drive one before you make that buy decision. You must experience it to believe it.

Supported by our 5 year structural hull warranty. Haines Hunters are amongst the most sought after craft in New Zealand. Our attention to detail ensures that each hull exhibits maximum strength and performance.

All mouldings are completed in a temperature and humidity controlled environment using resins, gelcoats and glass fibre to internationally recognised standards.

HULL STRUCTURE

Completely hand laid using:

- Isophthalic gelcoat & resin system for extra strength and water resistance.
- Multi-layered chopped strand mat with full length woven rovings
- Tanalised pine longitudinal girders
- Marine grade hardwood ply transverse bulkheads and transom

DECK STRUCTURE

- Isophthalic gelcoat
- Orthophthalic resin system, gunstock and coremat
- Tanalised pine deck beams

NOTE

Specifications and equipment may change at any time without notice. Photographs shown may include non-standard extras. Please consult your Haines Hunter Dealer for specific model information. Gelcoats used are of the highest standard. The product is however subject to the effects of ultra-violet and some colour change will occur. It is recommended that a polish with a U.V. inhibitor be used to protect the surface.

DEALER

*NOTE: Standard towing weight will vary with trailer type and motor selection
