

# THE SF650

Without a doubt the SF650 is the most exceptional rough water boat produced by Haines Hunter. Featuring a 23 degree V hull, generous freeboard, and a heritage that dates back fifty years. You will struggle to find anything that even compares with the overall SF 650 package. Toughened glass windscreen, large forward hatch, enclosed anchor locker, hydraulic steering, built-in boarding platforms, spacious cabin and cockpit, underfloor storage, it's all here in a no compromise blue water performer. At the helm you'll find ample space to drive, an instrument panel with room for serious gear, yes this is a boat for the adventurous. Family boating or dedicated fishing the SF 650 Haines Hunter has it all.

Supported by our 5 year structural hull warranty. Haines Hunters are amongst the most sought after craft in New Zealand. Our attention to detail ensures that each hull exhibits maximum strength and performance.

All mouldings are completed in a temperature and humidity controlled environment using resins, gelcoats and glass fibre to internationally recognised standards.

### HULL STRUCTURE

Completely hand laid using:

- Isophthalic gelcoat & resin system for extra strength and water resistance.
- Multi-layered chopped strand mat with woven rovings
- Tanalised pine longitudinal girders
- Marine grade hardwood ply transverse bulkheads
- Marine grade hardwood ply transom

### DECK STRUCTURE

- Isophthalic gelcoat
- Orthophthalic resin system, gunstock and coremat
- Tanalised pine deck beams

### NOTE

Specifications and equipment may change at any time without notice. Photographs shown may include non-standard extras. Please consult your Haines Hunter Dealer for specific model information. Gelcoats used are of the highest standard. The product is however subject to the effects of ultra-violet and some colour change will occur. It is recommended that a polish with a U.V. inhibitor be used to protect the surface.
