

THE SS700

There's a sportier, more stylized look to the Haines Hunter SS 700. Designed for people who need more lifestyle options from their boat, combined with the luxury of increased protection from the elements that the new Sports Sedan provides. The combination of great looks, comfort, handling and room to spare make it easier to enjoy the rewards of being out on the water with family and friends. The handling characteristics of this boat are the envy of many, providing seamless performance and comfort with a sporting flare of a true thoroughbred. It all adds up to a less strenuous day on the water. Test drive the Haines Hunter SS 700 and experience a new direction in boating.

Supported by our 5 year structural hull warranty. Haines Hunters are amongst the most sought after craft in New Zealand. Our attention to detail ensures that each hull exhibits maximum strength and performance. All mouldings are completed in a temperature and humidity controlled environment using resins, gelcoats and glass fibre to internationally recognised standards.

HULL STRUCTURE

Completely hand laid using:

- Isophthalic gelcoat & resin system for extra strength and water resistance.
- Multi-layered chopped strand mat with woven rovings
- Tanalised pine longitudinal girders
- Marine grade hardwood ply transverse bulkheads
- Marine grade hardwood ply transom

DECK STRUCTURE

- Isophthalic gelcoat
- Orthophthalic resin system
- PVC foam core

NOTE

Specifications and equipment may change at any time without notice. photographs shown may include non-standard extras. Please consult your Haines Hunter Dealer for specific model information. Gelcoats used are of the highest standard. The product is however subject to the effects of ultra-violet and some colour change will occur. It is recommended that a polish with a U.V. inhibitor be used to protect the surface.
